# Ceremonies

## INDOOR CEREMONIES

Inside the venue we include a handmade ceremony arch and dried pampas grass decor. The room is split into two areas so the ceremony is separate from the wedding breakfast and drinks reception, allowing you to setup the day before.

The bi-fold doors encompass the front of the building and open up across the venue to showcase the stunning views and create an outside-in feel.

No matter the weather, our team have you covered and your ceremony still takes advantage of the idyllic surroundings.

## OUTDOOR CEREMONIES

Host your wedding day on our outdoor lower terrace, with an open-air setting that boasts stunning views of the surrounding lakes and countryside. Choose to get married under the Pagoda, our wooden arch that can be decorated with flowers or our flat grass area for when you say "I do".

There is ramped access from the upper to the lower terrace, making your ceremony accessible to all.

# Packages

## MULTI-DAY HIRE

### Our most popular package!

Arriving from 2pm the day before your wedding, you will be greeted by our Wedding Coordinator who will help you setup. You have the option to have the bar open until 8pm for pre-wedding celebrations with your close friends and family, or head to the cottages where you can unwind and enjoy a BBQ, making the most of the sunset views.

The bar will be open an hour before your ceremony allowing your guests to mingle in anticipation of your arrival. Your guests will be seated before you make your entrance. Once you've tied the knot, your guests can enjoy a glass of Pimms, beer or bubbly from our drinks packages, served by our team whilst making the most of our lawn games.

After your guests have raised a glass of fizz and watched your first dance, you can dance the night away with your friends and family before retreating to your exclusive honeymoon cabin that is included in the hire.

Prices start from £330 per cottage for 2 nights and are available to hire individually or as a package of all six cottages.

In addition to our cottages, we offer 3 Shepherd's Huts behind the venue, each sleeping two guests. These huts feature a king size bed, tea and coffee facilities, outdoor seating, and access to power, all available for £245 for a two-night stay.
